Premia China STAR50 ETF

WHAT COMPANIES ARE LISTED ON THE STAR BOARD?

STAR Board, which stands for the “**Shanghai Stock Exchange Science and Technology Innovation Board**”, is the important initiative founded in June 2019 under the Shanghai Stock Exchange, designed to be the strategic platform to groom existing technology leaders and **incubate emerging innovators** that are:

Building
Cutting-edge
Technologies

of National
Strategic
Importance

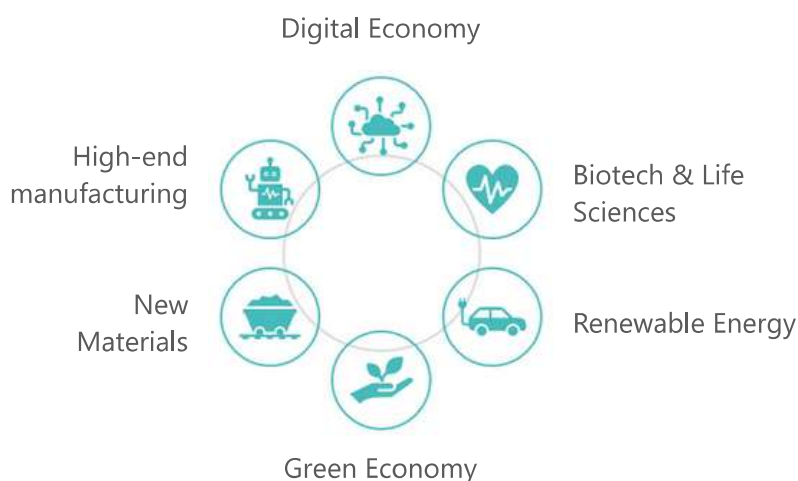

Driving Economic
& Productivity
Growth

with
High Market
Recognition

The STAR board was the first board in China that piloted the registration-based IPOs, allowing yet-profitable companies to get listed. It is **home to companies with quality, innovative features that would otherwise be candidates for overseas listings or late-stage private equity portfolio companies**. The STAR board was among the world's top IPO venue in 2020, with over 560 companies and ~RMB6.0 trillion total market capitalization (~RMB3.8 trillion free-float market capitalization) as of 31 December 2023.

FOCUS ON “HARD CORE” TECHNOLOGY EXPOSURES

WHY CHINA STAR50 ETF?

- **Policy-supported high-technology, innovation** sectors related to China's national strategic priorities – Dual Circulation, New Infrastructure, Technology Independence, Carbon Neutrality, Healthcare Reform, Consumption Upgrade
- **Strategic board within the Shanghai Stock Exchange**, designed to be responsive to market developments and new listings through quarterly-rebalancing
- **Lower correlation to mainstream China A benchmark**, providing a diversified, liquid option to capture high growth opportunities
- **Emerging innovative leaders** with **hardcore technology, high R&D investment**, and **exponential earnings** growth akin to late-stage PE companies before establishment of STAR Board
- **Diversification** across 50 leading companies forming a **representative basket of the STAR board**
- **Convenient access tool for international investors** – as most of the STAR board companies and STAR 50 constituents are NOT yet covered by the Stock Connect Scheme, and only available through QFII/ RQFII

IMPORTANT NOTICE The ETF tracks the performance of its underlying index which does not incorporate Environment, Social and Governance factors in its key investment focus. The current disclosures are made in accordance with SFC guidelines following the Manager’s climate-related risk assessments. Applicability and extent of disclosures shall be assessed on periodical basis.

Disclaimer This document is prepared and issued by Premia Partners Company Limited. Premia ETF Series are funds authorized by Hong Kong Securities and Futures Commission (“SFC”). SFC authorisation is not a recommendation or endorsement of Premia ETF Series and it does not guarantee the commercial merits of the scheme and its performance. This document has not been reviewed by the SFC and does not constitute an offer, recommendation or solicitation to buy or sell any security or enter into any other transaction in any jurisdiction. For potential investors in jurisdictions other than in Hong Kong, please seek professional advice on the eligibility of subscription of the funds. Unless otherwise specified, all information is as of 28 March 2024. Sources: Bloomberg and Premia Partners. The above data is for information only. **Past performance does not guarantee future results.** Investment involves risk, including possible loss of principal. Investment in emerging market countries may involve heightened risks such as increased volatility and lower trading volume, and may be subject to a greater risk of loss than investment in a developed country. Investors should not invest in this product based on this document alone. Before deciding to invest, investors should read the Prospectus and Key Fact Statements for details, including the risk factors. Investors may not get back the amount they invest. Individual stock prices/performance do not represent the return of the Fund. Investment return and principal value of an investment will fluctuate so that an investor’s shares, when sold or redeemed, may be worth more or less than the original cost.
