Premia CSI Caixin China New Economy ETF

Strategic growth sectors mainly in A shares markets

WHY CHINA NEW ECONOMY?

- **2nd largest economy** and **2nd largest equity market** globally yet under-owned (foreign ownership of A shares onshore equities estimated to be less than 5% as of April 2021 according to the [Institute of International Finance](#) (IIF)¹)
- Align with opportunities from **megatrends** and **policy-supported sectors** under **China's 14th Five Year Plan** which outlines areas of strategic growth priorities to be "**Modern High-tech Society**"
- **Diversified basket of new economy beneficiaries** from policy goals regarding dual circulation, technology independence, carbon neutrality, new infrastructure, rise of middle income class, aging population and healthcare reform.
- **Home to some of the smartest companies** according to **MIT Technology Review 2021**²
- **Low correlation** with most global equity markets and on track for **global index inclusion**: China A shares to expand from 0.8% to 16.2% as inclusion factor in MSCI EM expands from 5% to 100%³

Align with new economy quality growth opportunities

IMPORTANT NOTICE The ETF tracks the performance of its underlying index which does not incorporate Environment, Social and Governance factors in its key investment focus. The current disclosures are made in accordance with SFC guidelines following the Manager's climate-related risk assessments. Applicability and extent of disclosures shall be assessed on periodical basis.

Disclaimer This document is prepared and issued by Premia Partners Company Limited. Premia ETF Series are funds authorized by Hong Kong Securities and Futures Commission ("SFC"). SFC authorisation is not a recommendation or endorsement of Premia ETF Series and it does not guarantee the commercial merits of the scheme and its performance. This document has not been reviewed by the SFC and does not constitute an offer, recommendation or solicitation to buy or sell any security or enter into any other transaction in any jurisdiction. For potential investors in jurisdictions other than in Hong Kong, please seek professional advice on the eligibility of subscription of the funds. Unless otherwise specified, all information is as of 28 March 2024. Sources: Bloomberg and Premia Partners. The above data is for information only. **Past performance does not guarantee future results.** Investment involves risk, including possible loss of principal. Investment in emerging market countries may involve heightened risks such as increased volatility and lower trading volume, and may be subject to a greater risk of loss than investment in a developed country. Investors should not invest in this product based on this document alone. Before deciding to invest, investors should read the Prospectus and Key Fact Statements for details, including the risk factors. Investors may not get back the amount they invest. Individual stock prices/performance do not represent the return of the Fund. Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than the original cost.

Index Disclaimer CSI Caixin Rayliant New Economic Engine Index ("Index") is calculated by China Securities Index Company Limited ("CSI").
